

CHELSEA LANGMAN SKIN AWARE

REGISTERED
NURSE / OWNER

BUSINESS SUMMARY

Skin Aware is a locally owned and operated integrative skin cancer screening clinic. Chelsea has 16 years of experience working as a skin cancer surgical nurse and screening nurse, specialising in Dermoscopy. Skin Aware works closely with workplaces implementing education and screening programmes. As well Skin Aware operates a private screening clinic from their office at The Egmont Business Centre.

SKIN AWARE VALUES

Innovation – forward thinking, using the most up to date technology and practices.

Professional – experienced Registered Nurses and Dermoscopists.

People first – a respectful, dignified experience for screening clients.

Evidence based – using evidence based research and best practise processes.

Collaboration – working together with organisations to provide bespoke plans.

Affordable – streamlined services that are affordable to businesses and the community.

SERVICES

Skin Aware uses Dermengine's intelligent dermatology software for the imaging and documentation of skin cancer. Powered by **artificial intelligence** (AI), this smart dermatology system helps to manage our busy workflow with secure cross-platform access.

Services include:

WORKPLACE

- Workplace ONSITE skin cancer screening and education programmes
- Workplace UV awareness support

PRIVATE

- Full body skin cancer screening
- Total Body Photography
- Teledermatology consultations via FIRSTCHECK
